

# HERITAGE Fairs

**2011 Labrador East Regional Heritage Fair**

**May 10, 2011 9:00 AM**

**Happy Valley- Goose Bay**

**North Cross Church**

The 2011 Labrador East Regional Heritage Fair will take place on Tuesday May 10th, and Wednesday May 11th, at the Northern Cross Church on Kelland Drive. This year's Heritage Fair theme is "All In A Days Work" and will showcase students projects from Coastal and Lake Melville area schools, with projects on Exploration, Trapping, Grassworks, Seal Hunting, Inuit Culture and Traditions, and Traditional Labrador Pastimes just to mention a few. Students will be judged by a group of four judges all day Tuesday and Wednesday morning with a visitation open to the public from 1:00 to 2:30 on Wednesday, followed by the closing. Students will also get an opportunity to take in some of the attractions in the area as well as participate in group outings and activities.

The Fair is always a very rewarding experience where students get an opportunity to speak on their individual topic and learn from the other students around them.

Feel free to stop by for a visit.
