

Executive Opportunity Director of Education/Chief Executive Officer

The Labrador School District is both a culturally and geographically diverse district that encompasses a land mass of approximately 280,000km². The Board provides educational services to approximately 3400 students in 15 schools, located in three distinct regions: Coastal Labrador, which has eight schools in eight communities spanning from Nain in the north to Black Tickle in the south; Western Labrador, which has three schools in two communities and Central Labrador, which has five schools in three communities. The Board has 550 full and part-time employees, and an annual budget of approximately 35 million dollars. The Labrador School Board's vision is to be a learning organization that graduates all students from a safe and supportive environment enabling them to maximize their potential.

The District is currently seeking a Director of Education/Chief Executive Officer who will further its success by continuing to earn the support of the entire community, remaining committed to achieving the Board's strategic objectives, developing a long-term strategic education and capital plan, and continuing to focus on the needs of individual students.

As the ideal candidate you are a dynamic leader with several years of progressive experience in leadership positions in a comparable complex organization, and preferably, stature and recognition in the education community. You will have demonstrated exemplary leadership during your career, and are capable of working with elected trustees and managing relations among the District, trustees and the public. You possess tremendous people skills, communication and organizational skills, and a demonstrated ability to manage financial systems with integrity and accountability. You are committed to a collaborative leadership style that genuinely seeks to empower others, and have a proven ability to build and nurture relationships with internal and external stakeholders. Your high degree of personal and professional integrity allows you to set goals, meet objectives, and make difficult decisions while remaining focused on students and the learning environment.
