

Agenda

8:30 Welcome and Introduction

9a.m – 10 a.m Life Science Overview - Jennifer Winters

10:00 – 10:20 Nutrition Break

10:20 – 11:45 Chemistry Overview (Ruth Simmons)

11:30 – 12:30 Lunch

12:30 – 2:00 p.m Physics Overview (Paula Kelly)

2:00 – 3:00 Weather Science (Des Sellars)

3:00 – 3:30 Concluding Remarks/discussion

Note: Please bring copies of the Sc 1206 curriculum guide, the authorized text and samples of assessment instruments including tests, projects, portfolios or other works you find works well for your teaching practice. There will be sharing time. Electronic copies of same would help facilitate sharing.

The aim of this workshop is to reflect on last year's instructional outcome template for Sc 1206 with a view of refining it where necessary in order to bring greater efficiency to teaching and learning in preparation for level 2 core academic science instruction.

Location: Board Room, Labrador School Board.
